

Educational Student Learning Assessment Survey Checklist

Student Engagement & Participation

Assess student involvement in learning activities and classroom discussions.

Number of Class Sessions Attended

Level of Participation in Class Discussions

- Very Active
- Active
- Moderately Active
- Inactive

Activities Participated In

- Group Projects
- Presentations
- Class Debates
- Online Forums
- Voluntary Extra Credit

Comfort Level Asking Questions

- Very Comfortable
- Comfortable
- Neutral
- Uncomfortable

Describe a time you felt particularly engaged in the class.

Write something...

Content Comprehension & Understanding

Evaluate student understanding of key concepts and learning objectives.

Rate your understanding of core concepts (1-5, 1=Poor, 5=Excellent)

Enter a number...

Which key concept was most challenging to understand?

- Concept A
- Concept B
- Concept C
- Other (Please specify)

Explain, in your own words, the main purpose of [Specific Topic].

Write something...

Did you find the learning materials (textbooks, videos, etc.) clear and helpful?

- Yes
- Somewhat
- No

On a scale of 1-10, how confident are you applying the learned material?

Enter a number...

What questions do you still have regarding [Specific Topic]?

Write something...

Skill Application & Problem Solving

Measure student ability to apply knowledge and skills to solve problems.

Rate your ability to apply learned concepts (1-5, 1=Low, 5=High)

Enter a number...

Which problem-solving strategies did you find most helpful?

- Breaking down complex problems
- Seeking assistance from peers
- Utilizing provided resources
- Trial and error
- Other (please specify)

Describe a specific instance where you applied a learned skill to solve a problem. What was the problem, what actions did you take, and what was the outcome?

Write something...

On a scale of 1-5, how confident are you in your ability to independently solve similar problems in the future?

Enter a number...

**Did you encounter any roadblocks or challenges while applying your skills?
Select one.**

- No
- Yes, lack of resources
- Yes, lack of understanding
- Yes, time constraints
- Other

Assessment Methods & Feedback

Evaluate the effectiveness of assessment methods and student feedback received.

Were the assessment methods clear and understandable?

- Yes
- No
- Somewhat

On a scale of 1-5 (1 being ineffective, 5 being highly effective), how would you rate the assessments?

Enter a number...

Please describe any difficulties you experienced with the assessment methods.

Write something...

Was the feedback timely?

- Yes
- No
- Somewhat

Please provide specific examples of helpful or unhelpful feedback received.

Write something...

Did you understand how the feedback related to your performance?

- Yes
- No
- Somewhat

Learning Environment & Resources

Assess the quality of the learning environment and availability of necessary resources.

Classroom Temperature (Celsius)

Enter a number...

Adequacy of Seating

- Sufficient
- Adequate
- Insufficient

Available Resources (Select all that apply)

- Textbooks
- Online Materials
- Lab Equipment
- Library Access
- Technology (Computers, Projector)

Describe the Quality of Lighting

Write something...

Noise Levels in the Learning Space

- Quiet
- Moderate
- Distracting

Attach Photo of Classroom (Optional)

 Upload File

Overall Learning Experience

Gauge the student's overall satisfaction and perception of the learning experience.

Overall Satisfaction (1-10)

Enter a number...

What best describes your learning experience?

- Excellent
- Good
- Average
- Fair
- Poor

What was the most valuable aspect of this learning experience?

Write something...

What specific changes would improve this learning experience?

Write something...

Would you recommend this learning experience to others?

Yes

No
