Morning Feeding

Tasks to be completed during the morning feeding routine.

Start Time of Feeding

Enter time...

Amount of Feed (lbs/kg)

Enter a number...

Water Provided (gallons/liters)

Enter a number...

Feed Type

- Grain
- Hay
- Silage
- Pellets

Any Observations During Feeding

Write something...

Feed Source

- Supplier A
- Supplier B
- Farm Produced

Water Source Inspection

Checks on water quality, availability, and functionality.

Water Pressure (PSI)

Enter a number...

Water pH Level

Enter a number...

Water Source Type

- Well
- Surface Water
- Municipal
- Rainwater Harvesting

Water Quality - Visual Inspection

- Clear
- Cloudy
- Discolored

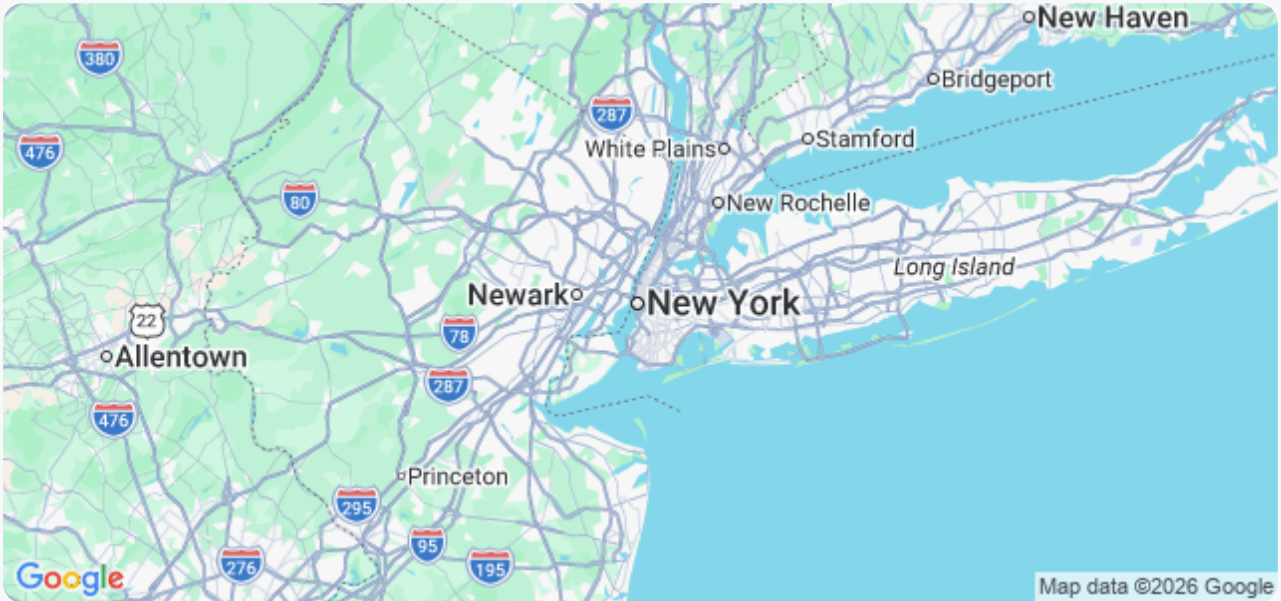

Any Unusual Observations?

Write something...

Last Water Test Date

Water Source GPS Coordinates

 [Set My Current Location](#)

Feed Inventory & Replenishment

Monitoring feed levels and ordering/mixing more as needed.

Grain Silo Level (ft)

Hay Bale Count

Enter a number...

Concentrate Feed (lbs)

Enter a number...

Feed Type

- Corn
- Soybeans
- Alfalfa
- Barley

Last Feed Order Date

Enter date...

Days Until Reorder

Enter a number...

Notes on Feed Quality or Condition

Write something...

Animal Health Observation

Observing animals for signs of illness or distress during feeding.

Body Condition Score (1-5)

Enter a number...

Appetite

- Normal
- Decreased
- Absent

Activity Level

- Normal
- Lethargic
- Restless

Any Visible Abnormalities?

Write something...

Temperature (°F/°C)

Enter a number...

Date of Observation

Time of Observation

Equipment Maintenance

Checking and maintaining feeding and watering equipment.

Feed Auger RPM

Water Pump Pressure (PSI)

Last Lubrication Date (Auger/Pump)

Time of Inspection

Enter time...

Condition of Water Troughs

- Excellent
- Good
- Fair
- Poor

Condition of Feed Bins

- Excellent
- Good
- Fair
- Poor

Notes/Observations (Equipment)

Write something...

Evening Feeding

Tasks to be completed during the evening feeding routine.

Start Feeding Time

Enter time...

Amount of Feed (lbs/kg)

Enter a number...

Water Added to Feed (Gallons/Liters)

Enter a number...

Feed Type

- Hay
- Grain
- Silage
- Pellets
- Other

Notes on Animal Behavior/Consumption

Write something...

Water Source

- Trough
- Automatic Waterer
- Other

End Feeding Time

Enter time...
