

Pharmaceutical Case Management Checklist Template

Case Intake & Assessment

Initial information gathering, patient history, and risk assessment.

| Patient Referral Source | |
|-------------------------|--|
| Write something | |
| | |
| | |
| Patient Age | |
| Enter a number | |
| | |
| Date of Initial Contact | |
| Enter date | |
| | |
| Primary Diagnosis | |
| ☐ Type A | |
| Type B | |
| Type C | |
| | |

| □ Diabetes□ Hypertension□ Heart Disease□ Allergies | |
|--|--|
| Reason for Referral (Detailed) Write something | |
| Referral Documentation (if applicable) Lucia Upload File Documentation (if applicable) | |
| Regulatory Compliance Ensuring adherence to relevant pharmaceutical regulations (e.g., FDA, EMA). | |
| Applicable Regulations (e.g., FDA, EMA, GCP) | |
| ☐ FDA (US Food and Drug Administration) ☐ EMA (European Medicines Agency) ☐ GCP (Good Clinical Practice) ☐ Other (Specify in Long Text) | |

| Date of Last Regulatory Audit |
|---|
| Enter date |
| |
| Audit Score/Rating (if applicable) |
| Enter a number |
| |
| Summary of Audit Findings & Corrective Actions |
| Write something |
| |
| |
| Document Review Status (e.g., Regulatory Submission) |
| ☐ Not Applicable |
| In Progress |
| Approved |
| Rejected |
| |
| Supporting Documentation (Regulatory submissions, approval letters) |
| ♣ Upload File |

Patient Communication & Education

Documenting patient interactions, providing medication information, and addressing concerns.

| Summary of Patient Education Provided |
|---|
| Write something |
| |
| Preferred Communication Method |
| Phone |
| Email |
| Mail |
| In-Person |
| |
| Date of Last Patient Communication |
| Enter date |
| Litter date |
| |
| Time of Last Patient Communication |
| Enter time |
| |
| |
| Topics Discussed (Select all that apply) |
| Medication Instructions |
| Potential Side Effects |
| Dietary Restrictions |
| Lifestyle Recommendations |
| Follow-up Appointments |
| |
| Patient Education Materials (e.g., brochures, videos) |
| □ Upload File |
| |

| Patient Acknowledgement of Education |
|--|
| |
| |
| Medication Management |
| Tracking medication orders, refills, and any adverse events. |
| Medication Order Status |
| New |

| | Write something | |
| | | |

Adherence & Support

Monitoring patient adherence to treatment plans and providing support services.

| Medication Dosage Taken (mg) | |
|---|------------|
| Enter a number | |
| | |
| Date of Last Medication Intake | |
| Enter date | |
| Time of Last Medication Intake | |
| Enter time | |
| Reason for Non-Adherence (if applicable) | |
| Forgetfulness | |
| ☐ Side Effects ☐ Cost | |
| Lack of Understanding | |
| Other | |
| Description of Challenges with Adherence (if any) | |
| Write something | |
| | <u>)</u> , |
| | |

| Support Services Provided Reminders (phone/text) Educational Materials Family/Caregiver Support Community Resources None |
|---|
| Patient Satisfaction with Support Very Satisfied Satisfied Neutral Dissatisfied Very Dissatisfied |
| Data Security & Privacy Maintaining patient confidentiality and complying with HIPAA and other privacy regulations. |
| Data Encryption Method AES-256 RSA Triple DES Other (Specify) |
| HIPAA Compliance Status Compliant Working Towards Compliance Not Compliant |

| Last Security Audit Date | |
|--|--|
| Enter date | |
| | |
| Description of Access Control Measures | |
| Write something | |
| | |
| Number of Data Breaches Reported (Past Year) | |
| Enter a number | |
| | |
| Data Security Training Topics Covered | |
| Phishing Awareness | |
| Password Security | |
| Data Handling Procedures | |
| HIPAA Regulations | |
| | |
| Data Residency Location | |
| United States | |
| ☐ Europe | |
| Canada | |
| Other (Specify) | |

Case Updates & Reporting

Regularly updating case status and generating reports as required.

| Date of Last Update |
|---|
| Enter date |
| |
| Time of Last Update |
| Enter time |
| Summary of Updates Since Last Report |
| Write something |
| |
| |
| Number of Interactions (Detiont Dhysician etc.) |
| Number of Interactions (Patient, Physician, etc.) |
| Enter a number |
| |
| Overall Case Status Active |
| Stable |
| ☐ Escalated |
