Write something...

Number of Documented Procedures

Enter a number...

Date of Last QMS Audit

Enter date...

QMS Elements Assessed (Select all that apply)

- [ ] Document Control
- [ ] CAPA
- [ ] Change Management
- [ ] Training
- [ ] Internal Audits
- [ ] Management Review

Copy of QMS Manual (if available)

Upload File

Evidence of Management Review

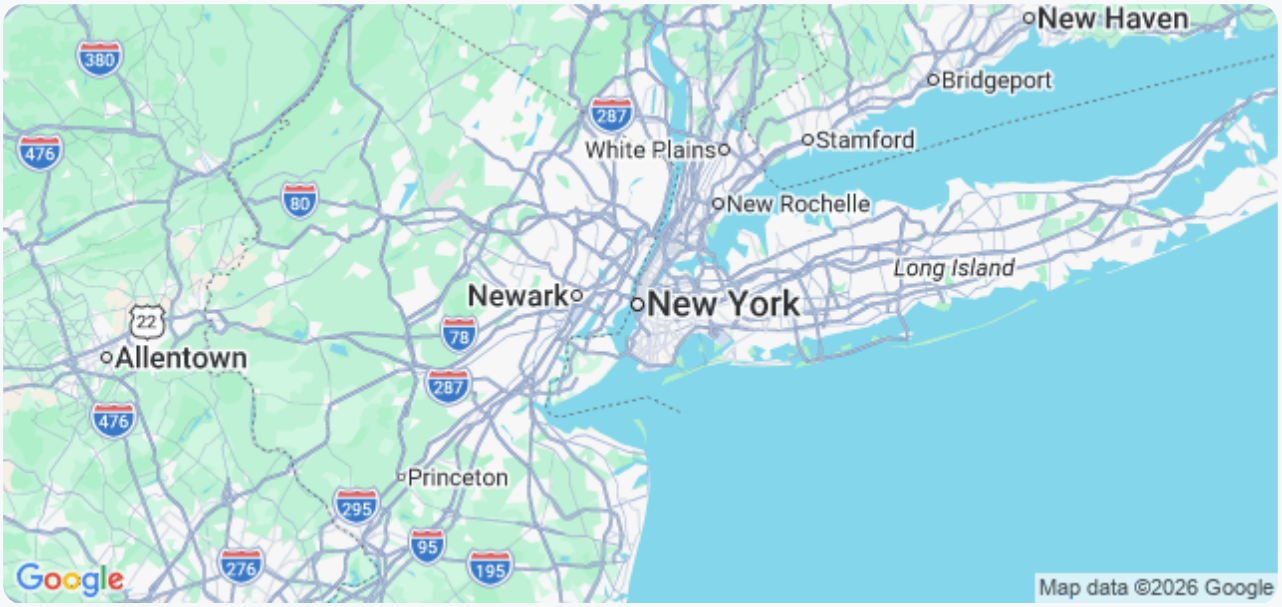
- [ ] Yes
- [ ] No
- [ ] Not Applicable

Facility & Equipment

Verification of the vendor's facilities and equipment suitability for pharmaceutical materials or services.

Facility Address

Set My Current Location



Square Footage of Manufacturing Area

Enter a number...

Equipment Types Present (Select all that apply)

- [ ] Reactors
- [ ] Dryers
- [ ] Mills
- [ ] Filters
- [ ] Packaging Equipment
- [ ] Analytical Instruments

Last Facility Inspection Date

Enter date...

Facility Layout Diagram

Upload File

HVAC System Temperature Control Range

Enter a number...

Description of Cleaning and Sanitation Procedures

Write something...

Personnel & Training

Review of vendor's personnel qualifications and training programs.

Number of Qualified Personnel

Enter a number...

Key Personnel Qualifications (e.g., GMP, Degree)

- [ ] GMP Training
- [ ] Relevant Degree
- [ ] Other

Last Training Completion Date (Key Personnel)

Enter date...

Brief Description of Key Personnel Training Program

Write something...

Training Records (Example)

Upload File

Verification of Personnel Background Checks

- [ ] Yes
- [ ] No
- [ ] N/A

Details on Background Check Procedures (if applicable)

Write something...

Regulatory Compliance & Audits

Confirmation of adherence to relevant regulatory requirements and history of audits.

Last Audit Score

Enter a number...

Date of Last Regulatory Inspection

Enter date...

Summary of Findings from Last Regulatory Inspection

Write something...

Compliance with GMP Guidelines?

- [ ] Yes
- [ ] No
- [ ] N/A

Relevant Regulatory Frameworks (Select all that apply)

- [ ] FDA
- [ ] EMA
- [ ] WHO
- [ ] PIC/S
- [ ] Other

Copy of Latest Regulatory Audit Report

Upload File

Product/Service Specifications & Testing

Validation of product/service specifications and testing protocols.

Detailed Product/Service Specifications

Write something...

Testing Methodology Alignment (e.g., USP, EP, JP)

- [ ] USP
- [ ] EP
- [ ] JP
- [ ] Other (Specify)

Acceptance Criteria Limit (e.g., Purity %)

Enter a number...

Certificate of Analysis (CoA)

Upload File

CoA Issue Date

Enter date...

Testing Parameters Verified (Select all that apply)

- [ ] Identity
- [ ] Purity
- [ ] Assay
- [ ] Impurities
- [ ] Water Content
- [ ] Other (Specify)

Deviations & Resolutions (if any)

Write something...

Change Control & Corrective Actions

Review of vendor’s change control process and management of corrective and preventive actions.

Change Request Originated From:

- [ ] Quality Assurance
- [ ] Manufacturing
- [ ] Engineering
- [ ] Regulatory Affairs
- [ ] Other

Description of Change/Deviation

Write something...

Risk Score (assigned)

Enter a number...

Date of Deviation/Change Initiation

Enter date...

Root Cause Analysis Findings

Write something...

Potential Impact Areas (select all that apply)

- [ ] Manufacturing Process
- [ ] Product Quality
- [ ] Equipment
- [ ] Documentation
- [ ] Regulatory Compliance

Corrective Actions Planned

Write something...

Planned Completion Date of Corrective Actions

Enter date...

Signature of Responsible Person

Contractual Agreements & Performance Monitoring

Assessment of contractual obligations and ongoing performance monitoring processes.

Contract Start Date

Enter date...

Contract Expiration Date

Enter date...

Agreed Upon Price/Rate

Enter a number...
