

Post-Construction Cleanup & Site Sanitization Checklist 2026

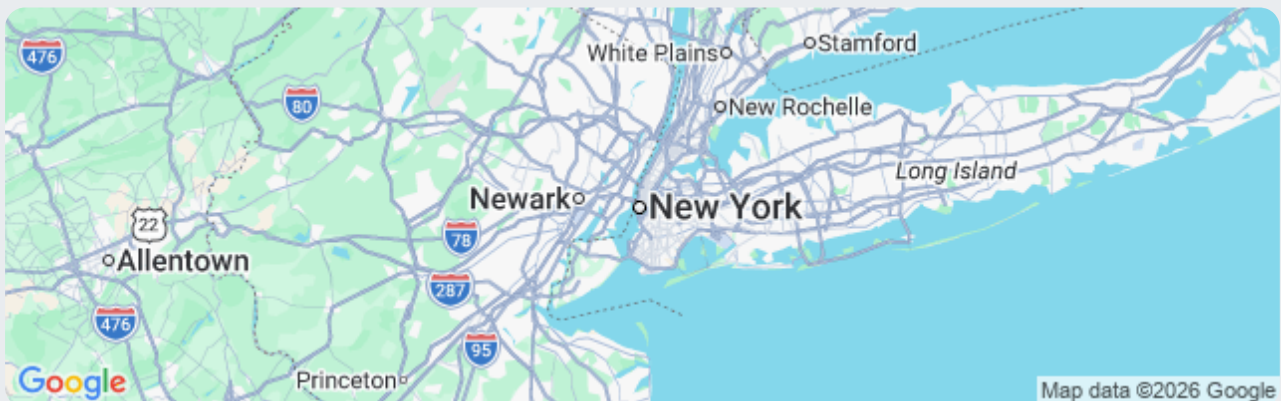

Pre-Cleanup Site Assessment

Initial walkthrough to identify debris types, hazardous materials, and specific cleaning requirements for different zones.

Assessment Date

Specific Site Zone/Area

 [Set My Current Location](#)

Site Readiness Status

- ☐ Ready for Cleaning
- ☐ Partial Cleaning Required
- ☐ Not Ready - Work Still Ongoing

Identified Debris Types

- ☐ Construction Dust/Fine Particles
- ☐ Hazardous Waste/Chemical Residue
- ☐ Large Scrap/Structural Debris
- ☐ Adhesives/Paint Splatters
- ☐ Organic/Landscaping Waste

Initial Site Observations & Notes

Assessor Signature

Debris Removal & Waste Management

Verification of removal of all construction waste, scrap materials, excess soil, and large-scale debris from the site and dumpsters.

Waste Types Removed

- ☐ General Construction Debris
- ☐ Hazardous Materials
- ☐ Wood/Timber Scraps
- ☐ Metal/Scrap Steel
- ☐ Concrete/Masonry Rubble
- ☐ Packaging/Cardboard/Plastic

Number of Waste Containers/Dumpsters Cleared

Enter a number...

Disposal Log & Manifest Notes

Site Supervisor Verification

Surface & Structural Cleaning

Deep cleaning of all hard surfaces including windows, floors, walls, ceilings, and embedded fixtures to remove dust, paint, and adhesive residue.

Surfaces Cleaned

- ☐ Walls & Partitions
- ☐ Ceilings & Bulkheads
- ☐ Doors & Frames
- ☐ Baseboards & Trim
- ☐ Structural Beams/Columns

Cleaning Standard Achieved

- ☐ Rough Clean
- ☐ Final Clean
- ☐ Deep Sanitize

Residue or Damage Notes

Supervisor Verification

Interior Sanitization & Disinfection

High-touch surface disinfection, sterilization of restrooms, kitchens, and common areas to ensure the space is pathogen-free.

Sanitization Target Areas

- ☐ Door Handles & Hardware
- ☐ Light Switches & Plates
- ☐ Countertops & Surfaces
- ☐ Restroom Fixtures
- ☐ Cabinet Knobs & Pulls

Disinfectant Type Used

- ☐ Alcohol-Based
- ☐ Bleach-Based
- ☐ Quaternary Ammonium
- ☐ Other

Disinfection Notes & Observations

Write something...

Window, Glass & Glazing Care

Detailed cleaning of interior and exterior glass, window frames, tracks, and removal of stickers or protective films.

Glass Surface Inspection Areas

- ☐ Exterior Windows
- ☐ Interior Windows
- ☐ Glass Partitions/Dividers
- ☐ Mirrors & Reflective Surfaces
- ☐ Glass Entry Doors

Protective Film/Sticker Removal Status

- ☐ Fully Removed
- ☐ Partial Removal (Residue Remaining)
- ☐ Not Started

Residue or Scratches Noted

Glazing Supervisor Sign-off

Flooring & Carpeting Finalization

Final vacuuming, mopping, polishing, or steam cleaning of all floor types (tile, hardwood, carpet, or concrete) to meet handover standards.

Flooring Types Inspected

- ☐ Hardwood
- ☐ Ceramic/Porcelain Tile
- ☐ Carpet
- ☐ Polished Concrete
- ☐ Laminate/Vinyl

Surface Residue Status

- ☐ No Residue Detected
- ☐ Minor Adhesive/Dust Remaining
- ☐ Action Required: Re-cleaning Needed

Identified Imperfections

Inspector Verification

Mechanical, Electrical & Plumbing (MEP) Dust Removal

Cleaning of air vents, light fixtures, electrical outlets, switches, and plumbing fixtures to ensure no construction dust remains in functional components.

MEP Components Inspected

- ☐ Air Vents & Grilles
- ☐ Light Fixtures & Sconces
- ☐ Electrical Outlets & Switches
- ☐ Plumbing Fixtures (Sinks/Toilets)
- ☐ HVAC Thermostats
- ☐ Exposed Piping & Conduits

Cleaning Status per Component

- ☐ Cleaned & Verified
- ☐ Dust Residue Remaining
- ☐ Requires Re-cleaning

Residue or Damage Observations

Exterior Perimeter & Landscape Cleanup

Clearing of walkways, removal of silt/mud from driveways, and ensuring newly installed landscaping is free of construction debris.

Walkway & Sidewalk Condition

- ☐ Clean and debris-free
- ☐ Requires sweeping/power washing
- ☐ Debris present

Cleared Areas

- ☐ Driveways
- ☐ Parking Lots
- ☐ Sidewalks
- ☐ Landscaped Beds
- ☐ Building Perimeter

Remaining Debris Notes

Site Supervisor Verification

Final Inspection & Handover Readiness

Final walkthrough to confirm all surfaces are pristine, all tools are removed, and the site is ready for the client or facility management.

Final Inspection Date

Enter date...

Handover Readiness Checklist

- ☐ All debris removed from site
- ☐ All keys and access codes accounted for
- ☐ All cleaning certificates/logs completed
- ☐ All keys/access codes accounted for
- ☐ No visible damage to finished surfaces
