Enter a number...

## Purchase Agreement Date

Enter date...

### Land Use Zoning

- Agricultural
- Residential
- Commercial
- Other

### Description of Existing Vegetation

Write something...

### Survey Map

 Upload File

### Elevation (Feet)

Enter a number...

## Infrastructure Development

Building essential infrastructure such as fencing, water systems, barns, and roads.

### Fence Length (feet)

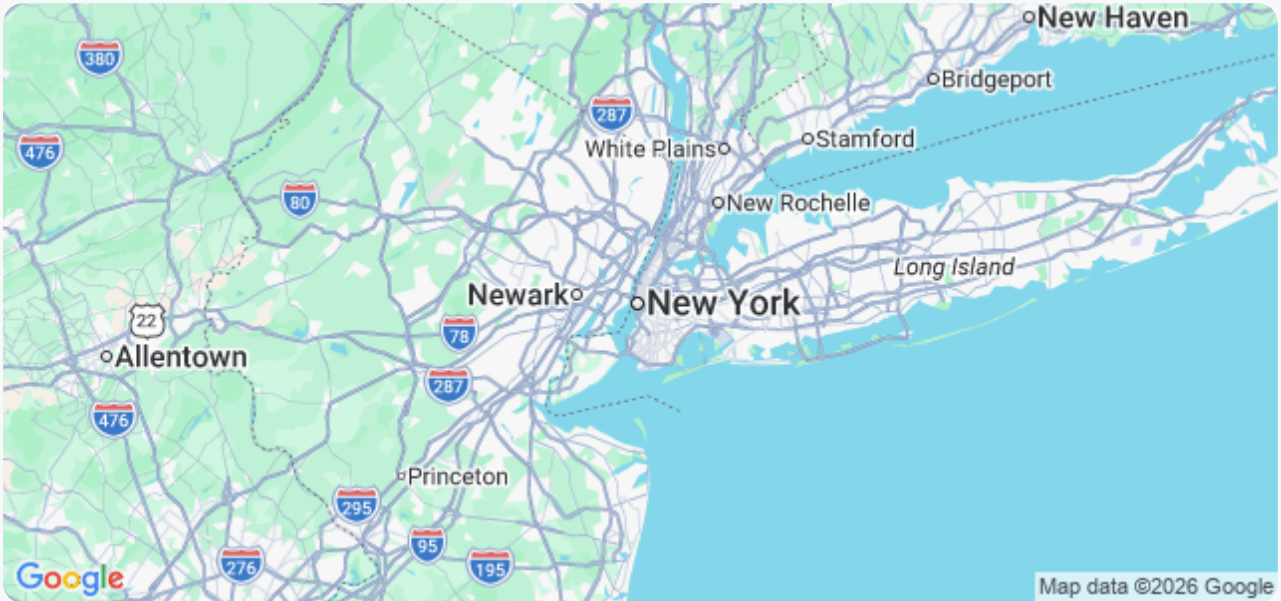

Enter a number...

### Barn Size (square feet)

Enter a number...

### Well Location

 [Set My Current Location](#)

### Well Drilling Start Date

Enter date...

### Fence Material

- Wood
- Metal
- Electric

## Barn Blueprint

 Upload File

## Water Tank Capacity (gallons)

Enter a number...

## Road Construction Notes

Write something...

# Livestock Procurement

Planning for and acquiring livestock – including species, breeds, and health checks.

## Number of Animals (Initial Order)

Enter a number...

## Animal Species

- Cattle
- Sheep
- Pigs
- Poultry
- Horses

## Breed Selection

## Expected Delivery Date

## Age of Animals (Average)

## Health Certificate Requirements

## Proof of Genetic Lineage (if applicable)

 Upload File

# Feed & Forage Planning

Ensuring a consistent supply of feed and forage for the livestock.

## Total Acreage Available for Forage Production

### Primary Forage Type(s)

- Pasture Grasses
- Hay (Alfalfa)
- Hay (Grass)
- Silage
- Supplements (Grain)

### Estimated Forage Yield per Acre (lbs)

Enter a number...

### Date of Last Soil Test

Enter date...

### Estimated Livestock Forage Consumption (lbs/head/day)

Enter a number...

### Supplementation Strategy

- Regular Grain Supplementation
- Seasonal Grain Supplementation
- No Grain Supplementation

### Notes on Forage Quality and Concerns

Write something...

# Equipment Purchase & Maintenance

Acquiring necessary equipment and establishing a maintenance schedule.

## Tractor Quantity

## Hay Baler Quantity

## Livestock Trailer Quantity

## Primary Brand of Equipment

- John Deere
- Case IH
- New Holland
- Massey Ferguson
- Other

### Scheduled Maintenance - Tractor 1

Enter date...

### Notes on Equipment Condition/Requirements

Write something...

### Budget for Equipment Repairs (Annual)

Enter a number...

## Personnel Hiring & Training

Recruiting, hiring, and training ranch staff.

### Number of Ranch Hands to Hire

Enter a number...

### Primary Skillset Required

- Livestock Handling
- Equipment Operation
- Irrigation Management
- General Labor

### Detailed Job Description Template

Write something...

### Anticipated Hiring Start Date

Enter date...

### Required Certifications (select all that apply)

- First Aid/CPR
- Pesticide Applicator
- Heavy Equipment Operation
- Livestock Health Certification

### Hourly Wage Offered

Enter a number...

### Training Program Outline

Write something...

## Regulatory Compliance

Meeting all local, state, and federal regulations related to ranch operations.

### Zoning Permits Obtained?

- Yes
- No
- Pending

### Environmental Impact Assessment Submission Date

Enter date...

### Livestock Handling Permits?

- Yes
- No
- Pending

### Maximum Livestock Units Allowed (per permit)

Enter a number...

### Summary of Water Rights Agreements

Write something...

### Copy of Federal Operating Permit

 Upload File
