

Recordkeeping for Pesticide Applications Checklist

Application Information

Details about each individual pesticide application event.

Application Date

Application Time (Start)

GPS Coordinates / Field Location

 [Set My Current Location](#)

Area Treated (Acres/Hectares)

Enter a number...

Application Rate (lbs/acre or equivalent)

Enter a number...

Application Method (e.g., Sprinkler, Foliar, Soil)

- ☐ Foliar
- ☐ Soil
- ☐ Sprinkler
- ☐ Chemigation
- ☐ Other

Description of Application (e.g., weather conditions, unusual circumstances)

Write something...

Pesticide Product Information

Details about the specific pesticide product used.

Pesticide Common Name

- ☐ Select Common Name
- ☐ Glyphosate
- ☐ Atrazine
- ☐ 2,4-D
- ☐ Other (Specify)

Pesticide EPA Registration Number

Write something...

Pesticide Formulation Type

Write something...

Amount of Product Applied (lbs/acre or gallons/acre)

Enter a number...

Concentration of Product (%), if applicable

Enter a number...

Any Restrictions or Special Instructions on Label

Write something...

Product Source/Supplier

- ☐ Select Supplier
- ☐ Local Co-op
- ☐ National Distributor
- ☐ Other (Specify)

Pesticide Label (PDF or Image)

 Upload File

Equipment & Calibration

Records pertaining to application equipment and its calibration.

Application Rate (e.g., lbs/acre, gallons/acre)

Enter a number...

Nozzle Size(s)

Enter a number...

Nozzle Type

- ☐ Flat Fan
- ☐ Cone
- ☐ Fogging
- ☐ Other

Sprayer Pressure (PSI)

Enter a number...

Sprayer Speed (mph)

Enter a number...

Date of Calibration

Calibration Method Description

Calibration Record (e.g., photos, spreadsheets)

 Upload File

Environmental Conditions

Documentation of weather and other environmental factors at the time of application.

Date of Application

Time of Application (Start)

Temperature (°F or °C)

Wind Speed (mph or km/h)

Wind Direction

- ☐ North
- ☐ South
- ☐ East
- ☐ West
- ☐ Northeast
- ☐ Southeast
- ☐ Northwest
- ☐ Southwest

Sky Condition

- ☐ Clear
- ☐ Partly Cloudy
- ☐ Cloudy
- ☐ Rain
- ☐ Fog

Soil Moisture

- ☐ Dry
- ☐ Slightly Moist
- ☐ Moist
- ☐ Wet

Additional Comments Regarding Environmental Conditions

Write something...

Applicator Information

Records related to the certified applicator and assistants.

Applicator Certification Number

Enter a number...

Applicator Full Name

Write something...

Certification Expiration Date

Enter date...

Applicator Category (e.g., Commercial, Private)

- ☐ Commercial
- ☐ Private
- ☐ Government
- ☐ Other

Assistant Applicator(s) Names and Certification Numbers (if applicable)

Write something...

Supervision Status (if applicable)

- ☐ Supervised
- ☐ Unsupervised

Supervisor Name (if applicable)

Write something...

Copy of Applicator Certification (Optional)

 Upload File

Field/Location Details

Information about the specific field or area where the pesticide was applied.

Field/Block Number

Enter a number...

Crop Type

Write something...

Acreage Treated (Acres)

Enter a number...

GPS Coordinates (Latitude/Longitude)

 [Set My Current Location](#)

Field Identifier (e.g., Farm Name, Subdivision)

Write something...

Date of Record Creation

Enter date...

Record Retention & Accessibility

Guidelines for storing, maintaining, and providing access to pesticide application records.

Record Retention Period (Years)

Enter a number...

Record Storage Format

- ☐ Paper/Hard Copy
- ☐ Electronic (Cloud-Based)
- ☐ Electronic (Local Server)

Access Permissions – Who can access records?

- ☐ Applicator Only
- ☐ Farm Owner/Manager
- ☐ Regulatory Agencies (upon request)
- ☐ Other (Specify)

Notes on Record Accessibility Procedures

Write something...

Date of last record review/audit

Enter date...

Physical Location of Paper Records (if applicable)
